

Are You Ready to Partner In Real Estate Investing?

Investing in real estate is interesting, safe and financially rewarding. But it's not for everyone. Before you decide this is your ideal investment strategy, ask yourself these ten questions.

1. Do you have the money to invest?
2. Are you looking to build long-term wealth?
3. Would you rather have extra cash every month instead of a long-term investment?
4. Are you prepared to be hands-off in the deal?
5. Can you qualify for financing?
6. Are you serious about investing?
7. Are you looking to learn about real estate investing so you can do it yourself?
8. Have you discussed this opportunity with your partner/spouse?
9. Are you comfortable with quarterly reports on your investment?
10. Are you comfortable with the partnership being a split of expenses as well as profits?
